Promoting learning Chinese and about China in Scotland
SCIO • Registered Charity Number SC046171 • www.scen.info

Welcome to “SCEN” The **Scotland China Education Network**.

SCEN was founded in January 2006 to bring together individuals, national agencies, and associations keen to promote teaching and learning Chinese language and culture in Scottish schools. SCEN supports all the national agencies in their plans to introduce Chinese into the curriculum, bringing practitioners together to share expertise and good practice through network meetings, and giving a platform for pupils of primary and secondary schools to present their learning at SCEN Pupil Conferences.

Thank you for your interest in SCEN, if you would like to be further involved in SCEN and keep up to date with future events and news, please complete the form overleaf and then return to:
